Mac,  
Thank you for the opportunity to review the final draft SE. Duane Arnold concurs with the NRC determination and the final draft SE contains no security-related information requiring withholding from public disclosure.  
Thank you again.  
Mike Coleman  
Manager, Information Management (Nuclear)

Please see the attached copy of the Final Draft Safety Evaluation (SE) for the subject License Amendment Request (LAR) to revise the completion date of Milestone 8 of the Cyber Security Plan Implementation schedule. ***The draft version is being resent to you since there were few changes added to the file as a result of the staff review.***

Please see the attached copy of the Draft Safety Evaluation (SE) for the subject License Amendment Request (LAR) to revise the completion date of Milestone 8 of the Cyber Security Plan Implementation schedule. The LAR was submitted by NextEra Energy Duane Arnold, LLC (NextEra)(the licensee) on August 28, 2014 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML14245A375). Attachment 1 of this submittal contains security-related information to be withheld under 10CFR 2.390. The NRC staff does not consider all the information in Attachment 1 to be security-related and therefore some of this information from Attachment 1 is likely to be included in the final staff SE, which will be publically available. Please review the Draft SE and confirm by e-mail that you agree with the NRC staff's determination and none of the information contained in the attached Draft SE is security-related information.
