Section G.2 is revised to read the following:

**G.2 2052.215-71 Contracting Officer's Representative (COR) AUTHORITY**

(a) The Alternate COR for this contract is:

Matthew Rossi  
Office: Office of Nuclear Reactor Research  
Mailstop: TWFN/10D-9  
Rockville, MD 20852  
Phone: 301-415-2359  
Email: Matthew.Rossi@nrc.gov

(b) Performance of the work under this contract is subject to the technical direction of the NRC contract COR. The term "technical direction" is defined to include the following:

- i. Technical direction to the contractor which shifts work emphasis between areas of work or tasks, authorizes travel which was unanticipated in the Schedule (i.e., travel not contemplated in the Statement of Work (SOW) or changes to specific travel identified in the SOW), fills in details, or otherwise serves to accomplish the contractual SOW.
- ii. Provide advice and guidance to the contractor in the preparation of drawings, specifications, or technical portions of the work description.
- iii. Review and, where required by the task order contract, approval of technical reports, drawings, specifications, and technical information to be delivered by the contractor to the Government under the contract.

(c) Technical direction must be within the general statement of work stated in the contract. The contract COR does not have the authority to and may not issue any technical direction which:

- i. Constitutes an assignment of work outside the general scope of the contract.
- ii. Constitutes a change as defined in the "Changes" clause of this contract.
- iii. In any way causes an increase or decrease in the total estimated contract cost, the fixed fee, if any, or the time required for contract performance.
- iv. Changes any of the expressed terms, conditions, or specifications of the contract.
- v. Terminates the contract, settles any claim or dispute arising under the contract, or issues any unilateral directive whatever.

(d) Technical directions must be issued in writing by the contract COR or must be confirmed by the contract COR in writing within ten (10) working days after verbal issuance. A copy of the written direction must be furnished to the Contracting Officer. A copy of NRC Form 445,

Request for Approval of Official Foreign Travel, which has received final approval from the NRC must be furnished to the Contracting Officer.

- (e) The contractor shall proceed promptly with the performance of technical directions duly issued by the contract COR in the manner prescribed by this clause and within the contract COR's authority under the provisions of this clause.
- (f) If, in the opinion of the contractor, any instruction or direction issued by the contract COR is within one of the categories as defined in paragraph (c) of this section, the contractor may not proceed but shall notify the Contracting Officer in writing within five (5) working days after the receipt of any instruction or direction and shall request the Contracting Officer to modify the contract accordingly. Upon receiving the notification from the contractor, the Contracting Officer shall issue an appropriate contract modification or advise the contractor in writing that, in the Contracting Officer's opinion, the technical direction is within the scope of this article and does not constitute a change under the "Changes" clause.
- (g) Any unauthorized commitment or direction issued by the contract COR may result in an unnecessary delay in the contractor's performance and may even result in the contractor expending funds for unallowable costs under the contract.
- (h) A failure of the parties to agree upon the nature of the instruction or direction or upon the contract action to be taken with respect thereto is subject to 52.233-1, Disputes.
- (i) In addition to providing technical direction as defined in paragraph (b) of the section, the contract COR shall:
  - a. Monitor the contractor's technical progress, including surveillance and assessment of performance, and recommend to the Contracting Officer changes in requirements.
  - b. Assist the contractor in the resolution of technical problems encountered during performance.
  - c. Review all costs requested for reimbursement by the contractor and submit to the Contracting Officer recommendations for approval, disapproval, or suspension of payment for supplies and services required under this contract.
  - d. Assist the contractor in obtaining the badges for the contractor personnel.
  - e. Immediately notify the Security Branch, Division of Facilities and Security (SB/DFS) (via e-mail) when a contractor employee no longer requires access authorization and return of any NRC issued badge to SB/DFS within three days after their termination.
  - f. Ensure that all contractor employees that require access to classified Restricted Data or National Security Information or matter, access to sensitive unclassified information (Safeguards, Official Use Only, and Proprietary information) access to sensitive IT systems or data, unescorted access to NRC controlled buildings/space, or unescorted access to protected and vital areas of nuclear power plants receive approval of SB/DFS prior to access in accordance with Management Directive and Handbook 12.3.

- g. For contracts for the design, development, maintenance or operation of Privacy Act Systems of Records, obtain from the contractor as part of closeout procedures, written certification that the contractor has returned to NRC, transferred to the successor contractor, or destroyed at the end of the contract in accordance with instructions provided by the NRC Systems Manager for Privacy Act Systems of Records, all records (electronic or paper) which were created, compiled, obtained or maintained under the contract.
