III. RESPONSIBILITIES

A. Responsibilities of the IPEC

The IPEC is responsible for:

1. deciding IT/IM direction, values, information security activities, and establishing the agency's risk tolerance for IT activities to achieve strategic program objectives;
2. approving major investments that will effectively integrate into the IT/IM Portfolio;
3. ensuring the Agency's Capital Plan supports NRC's priorities;
4. reviewing the IT/IM Portfolio in the year of execution to address current fiscal year priorities;
5. overseeing the execution of the portfolio by reviewing the portfolio health on a quarterly basis against established direction, values and risk tolerance;
6. communicating IPEC discussion and decisions to other NRC boards and/or committees; and
7. attending the TechStat and contribute to group decisions.

B. Responsibilities of the Co-Chairs

The Co-Chairs are responsible for:

1. planning and presiding over meetings;
2. facilitating discussion by leading the TechStat session with probing questions;
3. obtaining agreement among voting members or determining need for formal votes;
4. encouraging Agency partnerships that facilitate the prioritization of emergent needs or changes in program direction;
5. optimizing IT/IM investments;
6. prioritizing and sharing of resources; and
7. ensuring compliance requirements are met.

C. Responsibilities of the Secretariat

With the Co-Chairs, the Secretariat is responsible for:

1. meeting conduct, planning, and preparation;
2. scheduling meetings;
3. establishing the agenda;
4. providing supporting staff as required;
5. recording and distributing the meeting minutes;
6. communicating IPEC decisions to appropriate audiences/stakeholders.

D. Responsibilities of Voting Members

Voting members are responsible for:

1. representing the interests of the agency as a whole;
2. attending meetings;
3. actively participating in meetings and decision-making;
4. upholding, supporting, and communicating IPEC decisions within their organizations and to other NRC boards and/or committees.

In the event that a voting member cannot attend a meeting, delegation to an Office Deputy Director will be permitted.

E. Responsibilities of Advisory Members

Advisory members are responsible for:

1. providing expert advice, counsel and recommendations on agenda items under discussion; and
2. making presentations on items needing a decision, as appropriate.

F. Relationship to Other Committees/Groups

The IPEC establishes priorities for use by other boards in evaluating specific investment priorities and aligning their decisions.

IV. METHODS AND PROCEDURES

A. Meetings

The IPEC shall meet monthly or as often as necessary to accomplish its purpose.

B. Meeting Ground Rules

Decisions are made by a simple majority vote of the members present. The IPEC will proceed with voting if a majority of the members are present and the vote will be recognized by all members as valid. Only a Deputy Director can vote in the absence of designated voting member.

C. Meeting Minutes

The Secretariat or designee will prepare and distribute the draft meeting minutes to the members electronically through internal email. Members may provide comments or corrections to the minutes for a two week period after the draft minutes have been distributed. The final minutes will be distributed to the membership again through email and stored as permanent records in ADAMS for internal NRC viewing and possible distribution to oversight authorities upon request without further approval by the IPEC.

The meeting minutes will also be distributed to the ITB to keep them informed of decisions and direction.

D. Communication

Meeting invitations, agendas, review documents, and other notices will be distributed via email to each member unless other means are requested by individual members.
