Re: SSD #MA-0573-D-103-B, 15 mCi Co-57, XRF application

To Whom It May Concern:

This letter is to notify your department about the distribution of the above referenced device in the NRC's jurisdiction under General License provisions in the 2nd Quarter of 2015. This reporting is to comply with the Protec Instrument Corporation Massachusetts Distribution License MA 53-0706 for distribution of the LPA-1B XRF system listed under SS&D MA-1383-D-101-B. This reporting is done under the guidance of 10 CFR 32.52(a)&(b) reporting of generally licensed device distribution.

The attached are the General License Shipment (s) information for the customer(s) that received XRF system(s) in Regions/States under NRC Jurisdiction. Each LPA-1B XRF System contains a Cobalt-57 x-ray source (max 12mCi).

If there are any questions or requests for additional information please contact us.

Thank you,

Verena Streber
Radiation Safety Officer
