Subject: Additional Information Requested

Dear Sara,

I am responding your e-mail letter dated 8/3/15 requesting additional information for our licenses to be renewed. Our alternate location of 501 N. Fulton Street in Indianapolis, Indiana is still in use. This location will be utilized to store gauges when not in use in the field.

If you have any questions regarding this matter please call me at 317-437-2374 or my e-mail address: tsowders@hntb.com.

Respectfully,

Ted M. Sowders

Sara,

Thank you for your inquiry on the Fulton Street location. Yes, this location should still be listed on our license. It is our alternate location to store gauges when not in use in the field. Currently both of our gauges are on assigned projects. If you need further information let me know.
