Re: Updated Proposed Technical Specifications
Docket No. 50-193

Dear Mr. Boyle:

As you are aware, NRC has a new contractor working on reviewing the proposed RINSC Technical Specifications associated with re-licensing the facility. On 13 April 2015, you forwarded a version of this document that had been re-formatted by the contractor. In response, the following enclosures are attached:

- Enclosure 1 Proposed RINSC Technical Specifications 150807
- Enclosure 2 Summary of Changes to the Proposed Technical Specifications
- Enclosure 3 Contractor Comments and Responses

If there is anything else that you need in order to proceed forward with this project, please do not hesitate to contact me.

Very truly yours,

Michael J. Davis
Assistant Director
Rhode Island Atomic Energy Commission

I certify under penalty of perjury that the representations made above are true and correct.
