Docket Nos. 50-269, 270, 287

Dear Sir:

By letter dated September 6, 1985, NRC requested additional information concerning Duke Power's Incinerator License submittal for Oconee Nuclear Station which was transmitted by a June 10, 1985 Duke Power letter. The September 6, 1985 letter requested a response to the enclosed list of questions within 30 days from the date of receipt.

Please find attached, Duke's response. Please note that the following questions do not have a specific response:

A-2, B-1, B-2, B-3, B-4, B-5.

In response to these specific questions, Duke currently projects submitting a revision to the June 10, 1985 Incinerator License submittal by November 22, 1985. Duke anticipates that this revision will adequately address the above questions.

Very truly yours,

Hal B. Tucker
