In the Matter of
Florida Power & Light Company
(Turkey Point Units 6 and 7)
Docket Nos. 52-040 and 52-041

Dear Administrative Judges:

Pursuant to the Licensing Board's Memorandum and Order dated March 30, 2011, as modified by the Licensing Board's Notice dated September 12, 2012, the Staff is providing the Licensing Board and the parties an index identifying additions to the Hearing File required to be disclosed by the Staff pursuant to 10 C.F.R. § 2.336(d). The index contains the ADAMS accession number, date, and title of each listed document so as to make each document readily retrievable from the agency's website, www.nrc.gov, using the ADAMS "Find" function. Additionally, the Staff will add the documents identified in the index to the agency's Electronic Hearing Docket ("EHD") associated with this proceeding entitled "Turkey Point Hearing File." Also attached, as required by 10 C.F.R. § 2.336(c), is the Affidavit of Manny Comar.

In accordance with the Licensing Board's March 30, 2011, Memorandum and Order, relieving all parties from the obligation of producing privilege logs, as otherwise required by 10 C.F.R. §§ 2.336(a)(3) and 2.336(b)(5), the Staff is not now producing privilege logs. In accordance with the March 30, 2011, Order, however, the Staff is required to produce a log of documents withheld as containing proprietary information. In preparing the enclosed Hearing File Index update, the Staff identified no documents for inclusion on the log of documents withheld as containing proprietary information. Accordingly, no privilege log is attached. As directed by the Licensing Board, the Staff is preserving and maintaining all privileged documents during the pendency of this proceeding.

In accordance with the Licensing Board's March 5, 2014, Order, the Staff, in Hearing File Update No. 41, dated September 11, 2014, and Hearing File Update No. 36, dated April 10, 2014, provided best-estimate schedules for issuing the final Safety Evaluation Report ("SER") and final Environmental Impact Statement ("EIS"), respectively. The schedule for issuing the SER remains unchanged. In regard to the SER, the Staff transmitted the schedule to the Applicant, as indicated in a letter dated August 26, 2014, to M.K. Nazar, FPL, from F. Akstulewicz, NRC (ADAMS Accession Number ML14177A183). As set forth in the letter, the schedule provides for the issuance of the Advanced Final SER in January 2016 and the Final SER in October 2016.

In regard to the EIS, the NRC Staff published a draft EIS on the application on February 27, 2015. The Staff estimates that it will issue a final EIS in February of 2016. The Staff documented this schedule in a letter to the Applicant dated April 17, 2014. See Letter dated April 17, 2014, to M.K. Nazar, FPL, from F.M. Akstulewicz, NRC (ADAMS Accession Number ML14065A577).

Respectfully submitted,
