United States Nuclear Regulatory Commission

Washington, DC, 20555-0001

Att: Mr. Hector Rodriguez-Luccioni, Ph. D.

**Subject:** 4th Response to request for additional information regarding Lumondi Inc exempt distribution license renewal application (Licensee #04-23929-01E),

**Mail Control # 586355**

Mr. Rodriguez,

Please see below and attached, answers and supporting documents for Questions 4 for your letter dated July 13, 2015 and our phone conversation on July 21, 2015:

1. Per our phone discussion, I have requested more technical drawings (blueprints) from our factory designers to be able to provide you with the construction aspects of our products. Included you will find a front view of every one of our watch series with the sources circled. There is also a side cut-away view of the watch case with the components identified as well (crystal, bezel, case back, etc).

Sincerely,

A handwritten signature in black ink, appearing to read "Max W. Robertson".

Max W. Robertson

Director of U.S. Operations

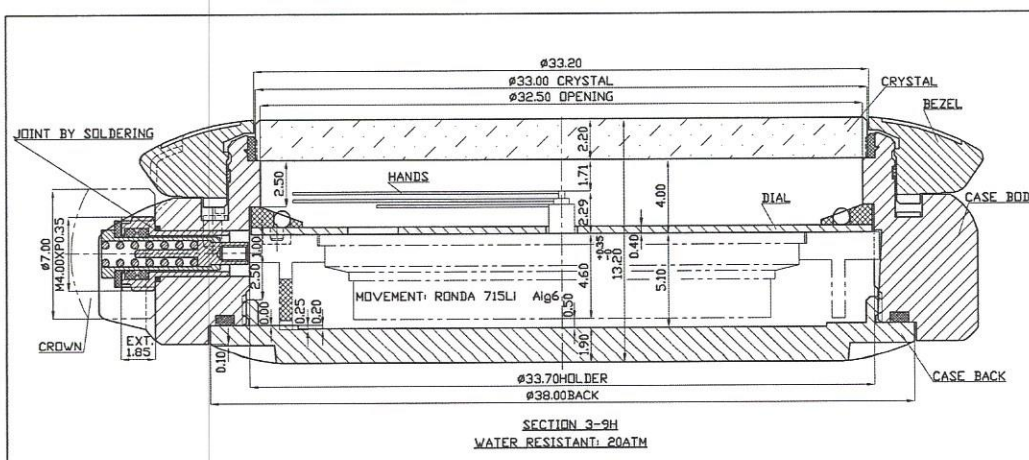

Radiation Safety Officer

Lumondi Inc. **DBA** Luminox Watch Company

## A black Luminox XCOR Aerospace GMT watch with a green fabric strap. The watch features a black dial with a rotating bezel marked with 24-hour increments. The dial includes a date window at 3 o'clock showing '31', a 'GMT' label at 9 o'clock, and the 'LUMINOX' logo at 12 o'clock. The brand name 'XCOR' and 'AEROSPACE' are printed below the center. The watch has a black case and a green fabric strap with blue stitching. Yellow circles highlight the bezel, the date window, the 'GMT' label, the 'LUMINOX' logo, the 'XCOR' logo, and the 'AEROSPACE' text.
