This letter is in response to your Email on July 27 2015. As of June 1 2014 The transaction transferring the control of NRC License No. 21-21045-01 was complete and we would like License amended to list Kinnco Services LLC as the licensee name and to remove the previous Licensee name Kinnco Inc. removed from the license. No other amendments are necessary at this time . Thank-you for your help in this matter

**Subject:** Additional Information Request re Transfer of Control Notification for Kinnco, NRC License No. 21-21045-01

Dear Mr. Wainman:

We have reviewed the letter dated June 2, 2015, informing us that Kinnco Services LLC has acquired Kinnco, Inc. In order for us to complete our review, please provide the following additional information:

1. Please confirm that the transaction transferring control of NRC License No. 21-21045-01 has occurred, and include the date on which the transfer was final.
2. Please confirm that you wish to have the license amended to list Kinnco Services LLC as the licensee name, and to remove the previous licensee name Kinnco, Inc. from the license.
3. Please indicate whether you wish to have the license amended to explicitly list Don Wainman, Mark Kinney, Zach Lutes, or John Weighman as Authorized Users (AUs) on the license, and to remove the reference to the training described in the October 31, 2012 letter, as listed in license Condition No. 11.

To add Don Wainman, Mark Kinney, Zach Lutes, or John Weighman as AU, additional training and experience documentation is needed as described in NUREG 1556, Vol. 4. Training and experience documentation must be retained by the licensee regardless of whether the AUs are explicitly listed on the license.

Please also indicate whether there have been any changes in AUs or other licensee personnel as a result of the described transfer of control.

Please provide additional requested information on or before August 3, 2015, via a signed and dated cover letter. Additional guidance may be found in NUREG 1556, Vol. 4, "Program Program-Specific Guidance About Fixed Gauge Licenses," and in NUREG 1556, Vol. 15, "Program Program-Specific Guidance About Changes of Control and About Bankruptcy Involving Byproduct, Source, or Special Nuclear Material Licenses," which may be found, respectively at:
