**Certification of Supplemental Disclosures in the Prairie Island ISFSI License Renewal
Proceeding
Affidavit of Eugene Eckholt**

I, Eugene Eckholt, being duly sworn, state:

I am providing this certification in support of the disclosures of Northern States Power Company – a Minnesota Corporation (“NSPM”) in the license renewal proceeding for the Prairie Island Independent Spent Fuel Storage Installation (“ISFSI”). I am the Nuclear Projects Licensing Manager with responsibility for the ISFSI License Renewal Project and am authorized to provide this certification.

To the best of my knowledge and belief, NSPM’s August 17, 2015 disclosures regarding the Prairie Island Indian Community’s admitted contentions in this proceeding contain all materials required to be disclosed by 10 C.F.R. § 2.336(d), as modified by the Atomic Safety and Licensing Board’s Amended Initial Scheduling Order dated February 1, 2013, that NSPM has identified to date as relevant through a search of the information and documentation reasonably available to and under the possession, custody and control of NSPM.

Further, to the best of my knowledge, information and belief, and based on the review of information and documentation reasonably available to and under the possession, custody and control of NSPM, these initial disclosures are accurate and complete as of July 31, 2015.

Further the affiant sayeth not.
