SUBJECT: NuScale Power, LLC Submittal of Presentation Materials Entitled "Multinational Design Evaluation Program Digital I&C Working Group Common Position Evaluations for NuScale Digital I&C Design," Revision 0, PM-0815-16440 and "Software Quality Assurance," Revision 0, PM-0815-16432 for Use During a Public and Closed Meeting on August 26, 2015 (NRC Project No. 0769)

NuScale Power, LLC (NuScale) has requested a meeting with the NRC technical staff on August 26, 2015 to discuss the approach to multinational design evaluation program common positions and software quality assurance development processes. NuScale requested that a portion of the meeting be closed to the public due to the proprietary nature of the information that will be presented and discussed in the software quality assurance development process portion of this meeting.

The purpose of this submittal is to provide presentation materials to the NRC for use during this meeting.

Enclosure 1 is the presentation entitled "Multinational Design Evaluation Program Digital I&C Working Group Common Position Evaluations for NuScale Digital I&C Design." Enclosure 2 is the nonproprietary version of the presentation entitled "Software Quality Assurance." Enclosure 3 is the proprietary version of the presentation entitled "Software Quality Assurance." NuScale requests that the proprietary version be withheld from public disclosure in accordance with the requirements of 10 CFR § 2.390. The enclosed affidavit (Enclosure 4) supports this request. This letter makes no regulatory commitments and no revisions to any existing regulatory commitments.

This correspondence includes preliminary and/or conceptual information which reflects the current stage of the NuScale design and may be subject to change.

Please feel free to contact Steven Mirsky at (301)770-0472 or at smirsky@nuscalepower.com if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Zackary Rad'.
