**Subject:** FOR YOUR REVIEW AND APPROVAL: Draft NRC TechStat Policy

Hi, Darren.

Attached please find the Draft NRC TechStat Policy based on the TechStat Toolkit and FITARA requirements. Upon your approval, this will be posted to the NRC IT Policy Archive on [nrc.gov](http://nrc.gov) per the instructions on the Quarterly IDC Instructions for August 2015. The deadline for the NRC IT Policy Archive going live is August 31, 2015.

I am working with the Web Team on this effort and will provide them with the ADAMS Accession No. for the TechStat Policy once you have approved it and it is declared. Once approved, I will also work with David Cullison to update the internal TechStat procedures.

Please let me know if you have any questions or concerns.

Thank you in advance.
