Subject: [External_Sender] Radioactive Waste Disposal 10 CFR61 Docket ID NRC-2011-0012

Dear Secretary,

I oppose the proposed 10 CFR 61 changes and ask NRC to make changes in the direction of greater isolation of waste. Radioactive releases and exposure to humans and other species must be prevented, not increased.

My wife and I, we can't afford a lobbyist. So we rely on you to protect us. Once we get cancer or some other problem from radioactive waste, the horse is out of the barn - it's too late.

Douglas Long

Rio Rancho, NM 87124
