Duke Nuclear Quality Assurance Program
Supplement to Amendment 21

In a letter dated November 19, 1996, Duke Power submitted a supplement to Amendment 21 of the Duke Power Company Topical Report *Duke-1-A, Quality Assurance Program* (Topical Report). This letter accurately described changes made to the Duke Nuclear General Office organization. However, the revised Topical Report Page 17-15, which was attached to the November 19 letter, was incorrect. The corrected page 17-15 is hereby attached to this letter.

Please direct questions on this matter to J. S. Warren at
(704) 382-4986.

Very truly yours,

M. S. Tuckman
