Subject: Oconee Nuclear Station
Docket Nos. 50-269, -270, -287

In a telephone conversation on July 23, 1997, Claudia Craig of the NRC staff advised that one page of the supplementary information that Duke Power provided to the staff during a meeting on June 26, 1997 contained a copyright notice. This one page was from the 1995 Integrated Resource Plan.

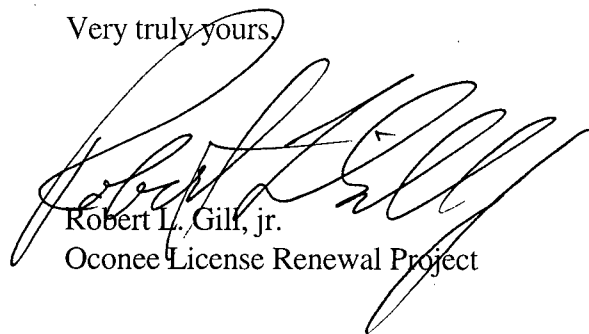

The providing of copyrighted material by Duke Power in meetings or correspondence is not intended to preclude the NRC from using the documents as necessary in the fulfillment of its responsibilities. The copyright notice on certain material is to prevent unauthorized copying and distribution by third parties.

This letter is intended to cover any material concerning 10 CFR Part 54 and the applicable portions of 10 CFR Part 51 related to nuclear power plant license renewal provided by Duke Power to the NRC.

This permission to copy and use material protected by copyright is limited, and not intended to confer rights on any other parties.

If there are any questions regarding this matter, please contact Bob Gill, 704 382 3339.

Very truly yours,

Robert L. Gill, Jr.
