Subject: Oconee Nuclear Station
Docket Nos. 50-269, -270, -287

Dear Sir:

By letter dated July 13, 1982, the NRC Staff requested that Duke provide a schedule for submitting supplemental ECCS calculations utilizing cladding models of NUREG-0630. Duke, as a member of the Babcock and Wilcox Owners Group, is evaluating a proposal from B&W to do this work. It is expected that this effort will start soon and be available for submittal in early 1983. Duke will provide the results of this effort, following our internal review, by March 1, 1983.

Very truly yours,

H. B. Tucker, Vice President
Nuclear Production Department
