Docket Nos. 50-269, -270, -287

Dear Mr. Dircks:

My letter of March 17, 1980 requested approval for use of certain transportation routes for shipment of Oconee spent fuel to the Babcock and Wilcox Lynchburg Research Center. Please be advised that the dates for shipment of this fuel have been changed. A revision to our proposal is attached correcting these dates.

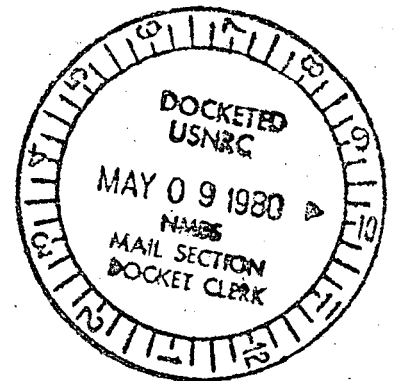

Since the information transmitted by this letter concerns security, it is requested pursuant to 10CFR 2.790, that this information be withheld from public disclosure.

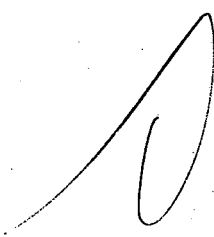

Very truly yours,

William O. Parker, Jr.
