Linear No-Threshold Model and Standards for Protection Against Radiation

Comment On: NRC-2015-0057-0010

Linear No-Threshold Model and Standards for Protection Against Radiation; Notice of Docketing and Request for Comment

Document: NRC-2015-0057-DRAFT-0111

Comment on FR Doc # 2015-15441

Submitter Information

Name: M.J. Schneider

General Comment

Humans should not be exposed to radiation on a regular basis without their explicit consent and being compensated accordingly in a job situation. Eroding this standard in a nationwide decision could lead to many people who would otherwise be able to seek restitution for cancers and other illnesses caused by industry noncompliance or contamination to be unable to do so. Changing this standard is a terrible idea.
