Name: John Brenneman

Address:

18109 Hedgewood Drive

Goshen, IN, 46526

Email: thebrenneman@yahoo.com

Organization: Michigan Safe energy future

Government Agency Type: Federal

Government Agency: NRC

General Comment

Dear Sirs,

Please do not change the linear no-threshold model with hormesis, radiation is bad at all doses, only pro nuclear people support this head in the sand belief.

Ionizing radiation has an affinity for the DNA, and is very damaging at low doses.

John Brenneman
