Dear Mr. Denton:

My letter of August 23, 1985 in response to Mr. T.M. Novak's letter of June 21, 1985, subject as above, indicated Duke would pursue a definitive resolution as to data retention requirements for post-trip reviews.

Based on appropriate review and evaluation by the applicable ANSI Committees, Duke Power Company and information contained in ANSI/ASME N45.2.9-1979, Duke has established the category of "Lifetime" for the record retention requirement for post-trip review data.

If there are any questions or problems concerning this matter, please advise.

Very truly yours,

Hal B. Tucker
