Gentlemen:

This letter is to advise the Nuclear Regulatory Commission that Duke Power Company will begin recording notifications/conversations made with the Emergency Notification System. The purpose of these recordings will be to critique communications skills and accurately distribute information to management. These recordings will be made in a manner that complies with applicable state and federal laws. This notice should be consistent with established NRC policy since it is our understanding that the agency currently records Emergency Notification System calls.

Very truly yours,

H.B. Tucker / JSW
