Docket Nos. 50-269, -270, -287

Dear Sir:

My letter of July 24, 1979 transmitted our response to your letter of June 29, 1979. As stated in my letter, a portion of the requested information was not available at that time and is being transmitted herewith. These resumes and summaries reflect the qualifications and experience of the Steam Production Department General Office staff and the staffs at each of the Company's nuclear stations as of approximately July 30, 1979.

On July 26, 1979 we received a request from Mr. Walter P. Haass, NRC, to provide 40 copies of our submittal plus an additional five copies for each additional unit. Since our response had already been sent when Mr. Haass' letter was received, the requested number of copies of our complete response are attached.

Very truly yours,

William O. Parker Jr.
