Subject: [External_Sender] Docket Nos. PRM-20-28, PRM-20-29, and PRM-20-30, NRC-2015-0057

Dear Secretary,

No mincing or wasting of words:

The "hormesis" model of assessing radiation risk is:

FULL. OF. SHIT.

Why did you even accept to CONSIDER proposals to use it? You ought to know darn well such proposals are specious. A waste of public money for you to to even spend one second on. If you do not know that, you are unfit to serve as a Commissioner.
