To whom it may concern,

As the State representative to legislative district 27, which includes Oglala Lakota County, I am formally writing in opposition to any type of Uranium mining or drilling. This will have a negative affect on the constituents I serve including our young people who make up more than half of our community.

Please feel free to contact me about further questions about my opposition at this email or 605 454 8105.

Sincerely,

Representative Kevin Killer  
South Dakota Legislature  
District 27
