Subject: REQUEST: NAC-STC--Missing References from RAI Submittal

Good morning Wren,

The staff needs some references mentioned in the documents submitted as part of your RAI responses::

From response to RAI M-1-5

Kimberly B. Colas, "Fundamental experiments on hydride reorientation in zircaloy",
Doctoral Dissertation, 2012.

This is one of the new references used in support of the application and not previously submitted.

Let me know if you can provide this information in the next and feel free to contact me if you have questions about this request.

Thanks in advance,

Norma Garcia Santos
