General Comment

Why is someone commenting from the Italian Triangle of Death?

Let him clean up his own back yard first, instead of trying to turn the US into a triangle of death. He knows very well the dangers of radiation. Mafia boss Schiavone admitted to dumping German radioactive sludge in the area where Pagano lives and works.

Why is he pretending not to know Sorensen's position when Sorensen is a side-kick of Calabrese and Pagano has worked with Calabrese for over a decade?

How many American comments have you failed to upload all while uploading a foreigner from the Triangle of Death? It's criminal. It's bad enough that Calabrese can evac out to Europe because Italian citizenship is by blood, unlike American citizenship.

Those who have ancestors who fought the American Revolution and even the descendants of Irish famine victims can't evac out when you destroy the country.
