Re: Joint Appendix Correction, *NRDC v. NRC*, No. 14-1225
(oral argument scheduled September 17, 2015)

Dear Mr. Langer:

In preparing for oral argument, Petitioner's counsel discovered that Section 5 of the Final Supplemental Environmental Impact Statement for the Limerick Generating Station (Suppl. 49, Aug. 2014), which is reproduced in the Joint Appendix ("JA") at JA 675-703, was *also* inadvertently reproduced at JA 638-663, in the section containing the Exelon Generation Company, LLC Environmental Report (June 2011). Accordingly, Petitioner is filing this letter to ensure there is no confusion regarding what is contained in the two documents.

Respectfully submitted,

Howard M. Crystal
Counsel for Petitioner Natural Resources
Defense Council, Inc.
