Reply to Notice of Violation - (notification of missed
commitment)

Dear Sir:

By letter dated August 12, 1996, the NRC issued a Notice of Violation as described in the subject Inspection Report. On September 11, 1996, Duke Power Company (Duke) submitted a reply to the notice of violation. In this submittal, Duke committed to change a procedure by November 15, 1996. On November 25, 1996, Duke determined that the commitment to change this procedure by November 15, 1996, had not been met. The procedure changes were completed on November 25, 1996. The reason for the delay in completing this commitment was that the review process for the procedure change took longer than anticipated.

We regretfully inform you of the missed commitment date. If you have any questions, please contact Judy E. Smith at (864) 885-4309.

Very truly yours,
