Subject: Oconee Nuclear Station  
Docket Nos. 50-269, -270, -287

Dear Ms. Diggs:

By an NRC letter dated August 18, 1986, Duke Power Company (Duke) was requested to remit an application fee of \$150.00 for a March 5, 1986 Duke submittal. The March 5, 1986 letter had transmitted copies of Oconee's Process Control Program (PCP) and revisions to the Offsite Dose Calculation Manual (ODCM) for the Oconee Nuclear Station. The request for remittance of the \$150.00 application fee was based on NRC's understanding that a review of these documents was necessary. Please be advised, that these documents were submitted for informational purpose only. A review of these documents was not requested nor is required.

Accordingly, an application fee of \$150.00 will not be submitted for the March 5, 1986 Duke letter. Further, Duke should not be billed for any cost associated with the review of these documents.

Very truly yours,

Hal B. Tucker
