Dear Ms. Tomczak and Ms. Pelke,

I am writing on behalf of Carson City Hospital, NRC license # 21-16339-01. Recently, Carson City Hospital was merged with Sparrow Health System of Lansing, MI.

I am informing you of the merge and the name change from Carson City Hospital to Sparrow Carson Hospital. Although the hospital is now owned by Sparrow Health System, the local administration and the radiation safety program will remain unchanged. I am attaching a letter from the local administration describing the merger.

The merger took place on February 1, 2015 but I only became aware of it recently. I understand it will take some time to process the name change and trust that they will be able to continue their use of RAM under their old name until the process is completed.

I have been assured that there will be no change in the day-to-day operation in the use of radioactive materials, there are no anticipated changes in technologists, authorized users, or the Radiation Safety Officer.

As there will be no cease of operations, no decommission of facilities or transfer of radioactive sealed sources, wastes or any other transfer of byproduct material is planned.

All records and procedures of Carson City Hospital shall be maintained by Sparrow Carson Hospital. Sparrow Carson Hospital will honor all commitments and maintain all constraints made in the RAM license of Carson City Hospital.

If you have any questions or need further information, please contact me at 734.395.9323 or Mr. Matthew Thompson, President and CEO, at 989.584.3971.

Thank you.

Sincerely,

Vincent McCormick, M.S., DABR

Dear Mr. McCormick:

On February 1, 2015, Sparrow Health System became the sole corporate owner of Carson City Hospital. Prior to this date, Sparrow Health System had approximately a 34% equity position in our organization.

The Board of Directors, the Executive team, and the Radiation Safety program remain the same. However, new Board officers were elected in 2015.

If you require any more information, please contact me at 989-584-39071, extension 111.

Sincerely,

A handwritten signature in black ink that reads 'Matthew J. Thompson'. The signature is fluid and cursive, with the first name 'Matthew' and last name 'Thompson' clearly legible.

Dear Ms. Tomczak and Ms. Pelke,

Attached is a request for name change on license #21-16339-01.

I was only recently informed of the takeover by Sparrow Health Systems and realize that this should have been submitted prior to the merge.

I have never handled a situation like this so please let me know if there is anything else you need.

Thank you.

Vince
