Subject: Lantheus Medical Imaging, Request for Additional Information Concerning Application for a License Amendment, Control 588543

Dear Mr. Eduardo Diaz,

Recently, an audit of financial assurance was performed at Region 1. 10 CFR 30.35(e)(2) requires, in part, at the time of license renewal and at intervals not to exceed 3 years, the decommissioning funding plan must be resubmitted with adjustments as necessary to account for changes in costs and the extent of contamination. The last decommissioning cost estimate was last done on February 2012, a period of greater than three years. We have opened this action item to track the completion of the resubmitting of your financial assurance.

Please submit your decommissioning funding plan with adjustments as necessary to account for changes in costs and the extent of contamination. Guidance can be obtained from NUREG-1757, Volume 3, Revision 1, "Consolidated NMSS Decommissioning Guidance - Financial Assurance, Recordkeeping, and Timeliness."

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. <No>. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter, facsimile (610-337-5269), or signed letter attached to an email.
