Re: Oconee Units 1, 2, & 3  
Docket Nos. 50-269, -270, and -287

Dear Dr. Morris:

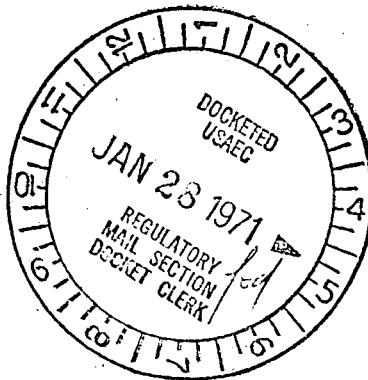

Duke Power Company filed Amendment No. 25 to its Application for Licenses for the Oconee Nuclear Station on December 30, 1970, which included Revision No. 15 to the Oconee Final Safety Analysis Report. Included in Revision No. 15 were revised Figures 1-2 through 1-8 which were not clearly printed.

Attached are seventy-three (73) copies of Figures 1-2 through 1-8, reprinted for clarification, which should replace the ones submitted with Amendment No. 25 and inserted in Volume I of the Oconee Final Safety Analysis Report (Serial Nos. 1-73).

Sincerely,

*A. C. Thies*  
A. C. Thies *P.H.B.*
