Gentlemen:

We have reviewed Change 2 to Revision 5 to the Oconee Nuclear Station Security Plan, as described in your letter dated June 25, 1976. As a result of this review, we agree that the change does not decrease the effectiveness of the security plan previously approved in our letter dated July 25, 1974, and is acceptable to the staff.

The approved security plan now consists of a document entitled, "Oconee Nuclear Station Security Plan, Revision 5", submitted with letter dated April 26, 1976 and Change 2, submitted with letter dated June 25, 1976.

Sincerely,

Original Signed By
Karl R. Goller

Karl R. Goller, Assistant Director
for Operating Reactors
Division of Operating Reactors
