Subject: Request for Additional Information; Renewal Application dtd 09/29/2015

Discussion: Mrs. Santiago was called to request clarification on her response to item 3 of the letter she sent dated January 15, 2016, responding to our request for additional information. Specifically, I asked Mrs. Santiago whether the removal of the location of use "College Station" from the license was because the location no longer was a storage or use location, or because the address of the location had changed. Mrs. Santiago stated that she does not speak English that well, but that she would do her best to answer any questions. She then stated that the location address had changed; however, the location and buildings that use licensed material had not changed. She stated that the reference to 10 CFR 30.36 in her letter was an error on her part.
