Docket Nos. 50-269, -270, -287

Dear Mr. Rusche:

My letter of October 25, 1976 informed you of our plans to institute a seismic monitoring program, for a period of two years, in the vicinity of the Jocassee Dam. Attached for your information is a report prepared by the University of South Carolina which covers the seismic investigations at Jocassee from June 1, 1976 to February 28, 1977.

Very truly yours,

William O. Parker, Jr.
