January 15, 2016,

Subject: Amendment to the US NRC Radioactive Material License Number 07-13441-02.

03020681

Dear Mr. Dennis Lawyer,

We are writing to request an amendment to our DuPont Wilmington Area radioactive materials License - US NRC Radioactive Material License Number 07-13441-02. The condition 10a, specifying the site locations and facilities within these sites where Licensed material may be used or stored, should be amended to reflect the corrected street address for the Experimental Station from, '700-799 Powder Mill Road, Wilmington DE 19880' to '200 Powder Mill Road, Wilmington DE 19803'. Please note that DuPont legal counsel has been contacted to make appropriate Experimental Station address corrections to the Standby Trust Agreement and Financial Assurance Documents to ensure consistency with our DuPont Wilmington Area radioactive materials License - US NRC Radioactive Material License Number 07-13441-02.

Ms. Kelly L. Petrillo, DuPont Radiation Safety Officer, may be contacted for additional information at (302) 451-4689, facsimile (302) 451-4545, or by E-mail at Kelly.L.Petrillo@dupont.com.

Sincerely,

Kelly L. Petrillo
DuPont Wilmington Area Radiation Safety Officer
