RE: Revisions to 2015 Fee Rule – Locations of Use

Dear Ms. Tomczak:

Zoetis LLC possess a broad scope research and development NRC byproduct material license, license number 21-00182-03, for its use at its Kalamazoo, Michigan facilities. Zoetis LLC provides the following information in accordance with Ms. Patricia Pelke's letter dated February 8, 2016 requesting confirmation of licensee locations of use with respect to the revisions to the 2015 fee rule.

1. Zoetis LLC has **two** "locations of use" of byproduct material:
  - 333 Portage Street, Kalamazoo, MI
  - 5300 N. 28<sup>th</sup> Street, Richland, MI
2. These two locations are currently listed under Condition No. 10 of our NRC license and no changes are necessary

Please feel free to contact me at the telephone number listed above if you should have any further questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "T. L. Popp". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
