ATTN: Tammy Tomczak, Licensing Assistant

RE: Materials License No.: 24-13365-01
Response to Revisions to 2015 Fee Rule, Request for "Location of Use"

The following information is provided in response to the US NRC request dated February 8, 2016 for information regarding *Location of Use*.

1. The total number of "locations of use" listed on Analytical Bio-Chemistry Laboratories, Inc. license is **two**. The addresses are listed as follows:
 - a. 7200 East ABC Lane, Columbia, MO
 - b. 4780 Discovery Drive, Columbia, MO
2. This notice confirms that the locations of use currently listed on the license are accurate and no changes are necessary.

If you have any questions or require additional information, please do not hesitate to contact me by phone or email.

Sincerely,

Heidi Dixon-White, M.S.
Radiation Safety Officer
