Model Delegation of Authority

Memo To: Radiation Safety Officer

From: Chief Executive Officer

Subject: Delegation of Authority

You, Ben Pierce, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nevada Radiological Health Section at any time. It is estimated that you will spend 4 hours per week conducting radiation protection activities.

Hi Jason,

Thanks for speaking with me regarding your NRC License 21-10459-01. I have attached a delegation of authority template just in case. As I mentioned, please provide a signed and dated cover letter stating that the location in Dearborn, MI is a new location of area of use along with your delegation of authority for Mr. Pierce.

Thank you and let me know if you have any questions,

Vered
