Cumulative Effects of Regulation

March 16, 2016

DyLanne Duvigneaud

Introduction

- **CATEGORY 2 MEETING**

- The primary discussions are expected to be between the NRC and representatives of licensed fuel cycle facilities. Members of the public will be invited to participate in this meeting at designated points during the meeting.

- **REMINDER**

- The information contained herein is for discussion purposes only and does not represent the final NRC position.
- We will not be discussing the merits of the regulatory activities during this meeting.
