**Subject:** Acceptance: 2015 Summary for AREVA Facility Changes and ISA Updates (L33407;L33409)  
**Date:** Thursday, March 17, 2016 4:10:00 PM

---

Hello Tim and Cal,

The Summary of Facility Changes Made during Calendar Year 2015 provided in accordance with 10 CFR 70.72(d)(2) and transmitted by your letter TJT:16:006 dated January 26, 2016, has been received and is acceptable for review. We have opened the Cost Activity Code (CAC) L33407 for this review.

In addition, we are accepting for review the Submittal of Integrated Safety Analysis (ISA) Summary Annual Update in accordance with 10 CFR 70.72(d)(3) and transmitted by your letter TJT:16:007 dated January 27, 2016. We have opened the CAC L33409 for this review.

Please refer to these CAC numbers in any future correspondence related to these reviews. This e-mail and the transmittal letters will be made publically available in ADAMS. Both summaries are being withheld in its entirety in accordance with 10 CFR 2.390.

Thanks,

*Leira Cuadrado*

Project Manager,

Fuel Manufacturing Branch

Division of Fuel Cycle Safety, Safeguards, and Environmental Review
