U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Sirs:

This request is submitted for the USGS research reactor license R-113 (Docket 50-274) to amend Indemnity Agreement D-10. We request that Item 3 of the Agreement be changed to read,

"Item 3 Location

*The [REDACTED]
[REDACTED] (Rooms 149-152, 154, 157, 158, B10, B10B, B11, and reactor hallway) in
the Nuclear Science Building (Building 15), Denver Federal Center, Denver, Colorado.
The storage room, Room 2, of Building 10, Denver Federal Center, Denver, Colorado."*

The current wording of this item is,

"Item 3 Location

*The [REDACTED]
(Rooms 149-152, 154, 157 and reactor hallway) in the Nuclear Science Building
(Building 15), Denver Federal Center, Denver, Colorado."*

The change is being requested so that additional [REDACTED] facility spaces will be covered by the indemnity agreement. [REDACTED]

[REDACTED] The change will also help to reduce confusion in these spaces [REDACTED]

[REDACTED] All of the spaces listed in our proposed wording are controlled access spaces.

AD2D
NRR

Drawings of the affected areas of the USGS Buildings 10 and 15 are attached to show the affected spaces. The spaces that are desired to be covered by the indemnity agreement are labeled with room numbers and are marked by cross-hatching on the attached map.

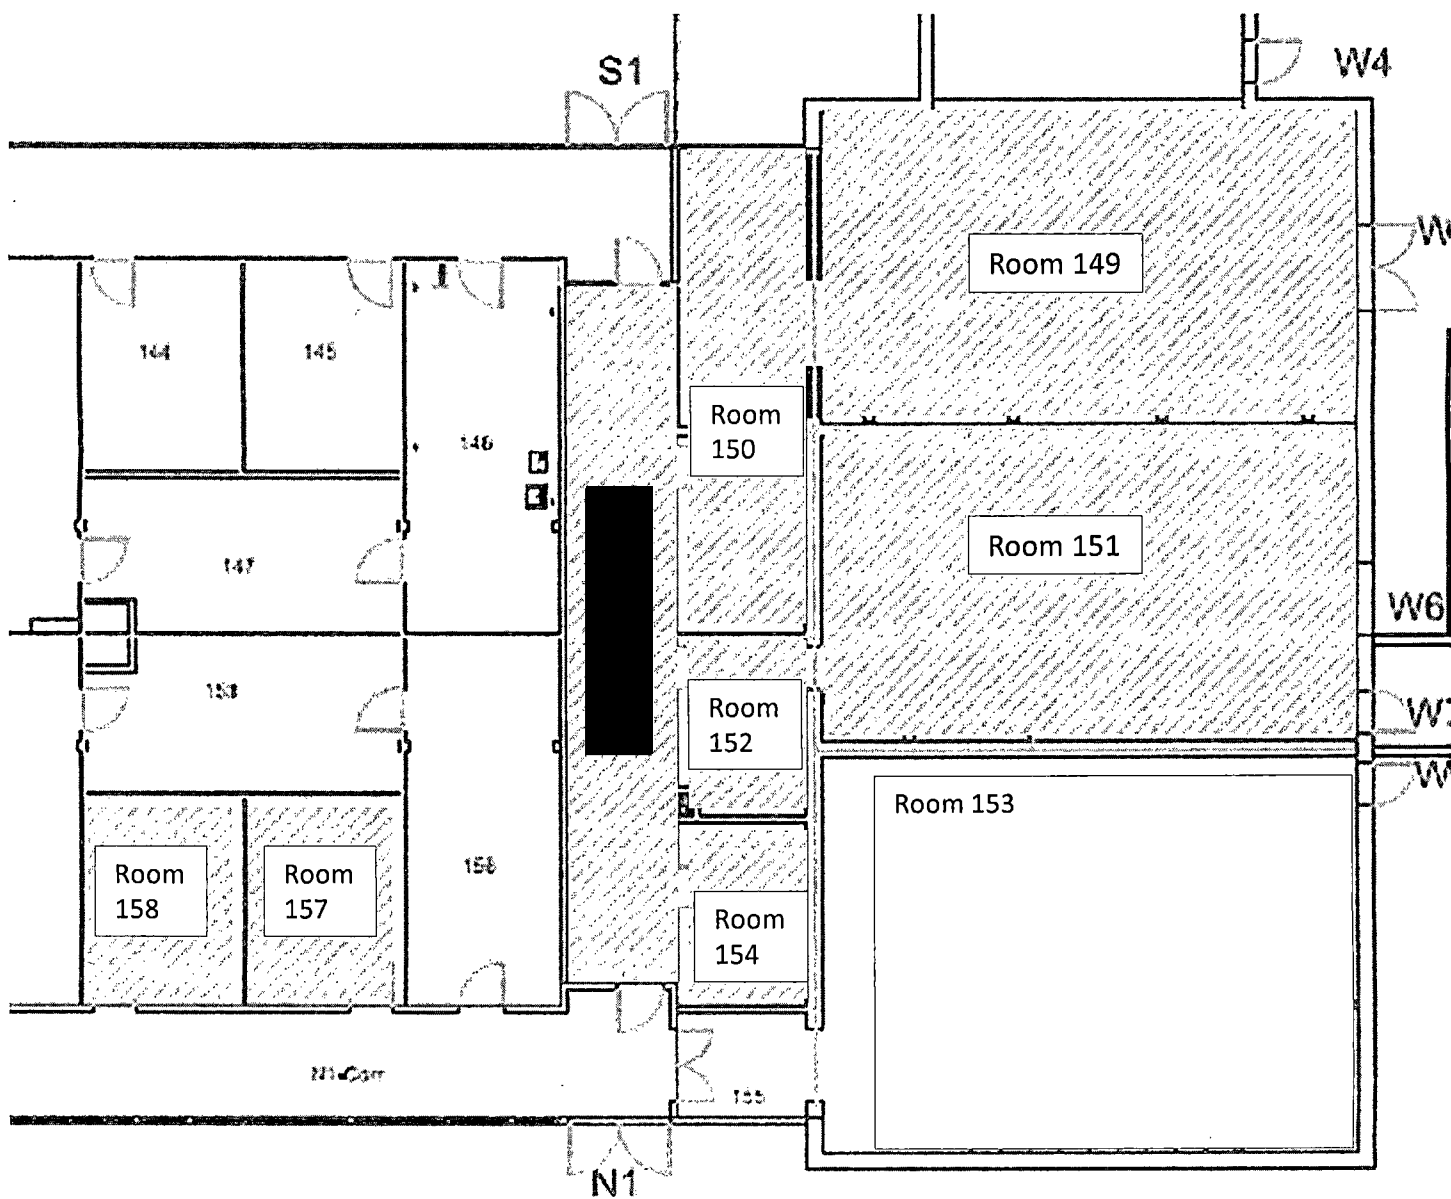

Please contact me if you have any questions concerning this request.

Sincerely,

A handwritten signature in black ink that reads "Tim DeBey". The signature is written in a cursive style with a large, stylized "T" and "D".
