Subject: Renewal of 19-09880-01

Discussion: Mr. Reichard contacted Mr. Goodison to discuss the renewal application for 19-09880-01. Mr. Reichard pointed out that the application requested animal use studies; however, the application didn't include the required procedures for animal use. Mr. Goodison stated that they haven't used material on animals for many years. He said that they no longer require the authorization. Instead of submitting animal use procedures, he would prefer to have animal use removed from the license. He indicated that should they need to work with animals again in the future, he would submit an amendment request.

Action Required: Complete renewal
