Subject: TN-BGC 1 - Request for Additional Information for the TN-BGC1 Package

Dear Mr. Conroy,

As mentioned in my last e-mail, you will find attached, in the letter ref. **CEX-15-00117104-004**, our answers to questions 2 and 3 of the Criticality Review of the additional information requested by NRC in the letter of December 16th 2015.
For your information, a paper version is also being sent today.

The calculation notes which include the additional analyses needed are enclosed too.

Best regards,

Grégory GALLAIS
Design Manager – Special Material Engineering Unit
