Mr. Sirois,

We have not received a response to our third request for additional information (RAI) regarding the renewal of Hess Fine Art Exempt Distribution License no. 09-23920-01E. The response was due last Thursday, March 24, 2016. Please submit a complete response to the attached RAI by COB, Friday, April 1, 2016. If we have not received complete information by April 1, 2016, we will consider taking regulatory action on your current NRC license no. 09-23920-01E, including termination of your license.

Please note that if the NRC terminates your exempt distribution license, Hess Fine Art will not be able to operate under Exempt Distribution License no. 09-23920-01E, which means Hess Fine Art shall permanently cease licensed activities authorized by the exempt distribution license. If Hess Fine Art wants to resume operations after termination of the license, Hess Fine Art will have to apply for a new exempt distribution license, which includes application fees pursuant to 10 CFR 170.31.

If you have any questions or comments please let me know.

Best regards,

***Hector Luis Rodríguez-Luccioni, Ph.D.***
