In accordance with ES-402, Section D.4.e, the following material was mailed to Michael Bielby, Chief Examiner at Region III offices via USPS Certified Mail on March 25, 2016. The USPS tracking number is 70151520000050088529:

- Graded written examination original answer sheets with a copy of each applicant's answer sheet before grading
- The signed applicant's exam cover sheets
- Applicant questions and proctor responses during the written examination
- Written examination seating chart

The master examination and answer keys were hand delivered to Michael Bielby on March 7, 2016. The facility has made no changes to the exam since then.

Original forms ES-201-3, "Examination Security Agreement" with Pre- and Post-examination signatures will be delivered as soon as all the Post-examination signatures have been completed.

Per our discussion with Michael Bielby, we request the NRC withhold public disclosure of the exam in ADAMS for 2 years so we can have the exam available for internal use.
