RE: Revision to License Application Page B-5  
Mail Control Number 590086

Dear Sir or Madam:

Enclosed is a revision to our license application form page B-5. We will implement and maintain procedures for routine maintenance of our gauges according to each manufacturer's recommendations and instruction.

If anything further is required please contact me at 479-788-6322.

Sincerely

A handwritten signature in black ink, appearing to read "Andy Peeples", written over a horizontal line.

William (Andy) Peeples  
RSO

## APPENDIX B

Item No. And Title	Suggested Response	Yes	Alternative Procedures Attached
10. RADIATION SAFETY PROGRAM – MAINTENANCE	<p><i>Routine Cleaning and Lubrication</i></p> <p>We will implement and maintain procedures for routine maintenance of our gauges according to each manufacturer's recommendations and instructions.</p> <p><i>Non-Routine Maintenance</i></p> <p>We will send the gauge to the manufacturer or other person authorized by NRC or an Agreement State to perform non-routine maintenance or repair operations that require the removal of the source or source rod from the gauge.</p>	<p><input checked="" type="checkbox"/></p> <p>Revised form 04/01/16 <i>Cheryl Peltz</i></p> <p><input checked="" type="checkbox"/></p>	<p><input type="checkbox"/></p> <p>The information listed in Appendix G supporting a request to perform non-routine maintenance in-house is attached.</p>
10. RADIATION SAFETY PROGRAM – TRANSPORTATION	The applicant is <i>not</i> required to submit its response to transportation during the licensing process. However, this issue will be reviewed during inspection.		Need Not Be Submitted With Application
11. WASTE MANAGEMENT – GAUGE DISPOSAL AND TRANSFER	The applicant is <i>not</i> required to submit a response to waste management during the licensing process. However, the licensee should develop, implement, and maintain gauge transfer and disposal procedures in its radiation protection program.		Need Not Be Submitted With Application

**Subject:** Additional Information Requested

Dear Mr. Peeples,

I was completing the paperwork for your new license application this morning, and I noticed that you had inadvertently missed one of the commitments regarding routine maintenance of the gauges. Please respond with a letter stating "We will implement and maintain procedures for routine maintenance of our gauges according to each manufacturer's recommendations and instructions."

Please email your response to [Jennifer.dalzell-bishop@nrc.gov](mailto:Jennifer.dalzell-bishop@nrc.gov). If you have any questions, please feel free to give me a call at 630-829-9607.
