**Summary**

On March 29, 2016, NRC staff from the Office of Nuclear Security and Incident Response (NSIR) and the Office of Nuclear Material Safety and Safeguards (NMSS), in coordination with subject matter experts from the U.S. Department of Energy's (DOE's) Nuclear Energy Oak Ridge Site Office, held a conference call with Mr. Steve Toelle, Centrus Energy Corp. (Centrus), to discuss NRC and DOE staff comments on Centrus' proposed Security Plan (the Plan) for the Protection of Classified Matter at its relocated headquarters in Bethesda, MD. The purpose of the call was to ensure Mr. Toelle's clear understanding of the comments and minimize confusion. Prior to the call, the NRC staff had provided Mr. Toelle a list of comments resulting from the preliminary review of the Plan (see Attachment).

During the call, the NRC and DOE staffs discussed their comments on the proposed Plan and responded to Mr. Toelle's questions. By letter dated March 31, 2016, Mr. Toelle provided a revised version of the Plan addressing the NRC and DOE staffs' comments.

Follow-up Action

The NRC and DOE staffs will review the revised Plan for final action.
