SUBJECT: Notification Pursuant to 40 C.F.R. Part 266, Subpart N; VHWMR § 7-109(b)(2)

Dear Sir or Madam:

This is to notify you that, consistent with Subpart N of 40 C.F.R. Part 266, as incorporated into the State of Vermont's Resource Conservation and Recovery Act program pursuant to VHWMR § 7-109(b)(2) (collectively, the "Mixed Waste Rule"), Entergy Nuclear Vermont Yankee, LLC ("ENVY") hereby claims the conditional exemption for on-site storage and treatment of low level mixed waste that may be generated by or is otherwise associated with the planned disassembly and demolition of the building commonly known as the North Warehouse at the Vermont Yankee Nuclear Power Station in Vernon, Vermont. A site plan with the location of the North Warehouse is enclosed.

This notification is timely. Disassembly and demolition of the North Warehouse will be preceded by issuance of a Certificate of Public Good ("CPG") by the Vermont Public Service Board (in a matter captioned *Petition of Entergy Nuclear Vermont Yankee, LLC and Entergy Nuclear Operations, Inc., for a certificate of public good, pursuant to 30 V.S.A. § 248 and 10 V.S.A. § 6522, authorizing the construction of a second independent spent fuel storage installation storage pad and related improvements at the Vermont Yankee Nuclear Power Station in the Town of Vernon, Vermont*). The North Warehouse disassembly and demolition is currently expected to occur in the 3rd quarter of 2016.

Pursuant to 40 C.F.R. §266.230, ENVY provides the following information:

Name	Entergy Nuclear Vermont Yankee, LLC
Address	Entergy Nuclear Vermont Yankee, LLC P.O. Box 250 320 Governor Hunt Rd Vernon, VT 05354
RCRA identification number	EPA ID # VTR000504167
NRC or NRC Agreement license number	DPR-28
Expected Waste Codes	D008 and D011
Expected Storage Units	Intermodal and Sealand containers

ENVY meets the conditions of the Mixed Waste Rule, and, upon disassembly and demolition of the North Warehouse, will store the mixed waste in question in a manner consistent with the Mixed Waste Rule, including the compatibility, training, inspection and record requirements of that Rule. This notification creates an authorization that, consistent with the Mixed Waste Rule, is continuous through ENVY's transfer of the mixed waste in question for transportation and disposal in accordance with the Mixed Waste Rule.

CERTIFICATION

I, Christopher J. Wamser, certify that the information in this notification is true, accurate, and complete.

A handwritten signature in black ink, appearing to read "Ch J W", is written over a horizontal line.
